

# Eid Mubarak 2025

Salam,

Women IDPs and Returnees, worked for multiple hours on a traditional vertical loom, to weave this wall hanging for the most loved festival of this beautiful, landlocked country; Eid-UI-Fitr.

Look closely and you can still hear the sounds of the shuttle pass through hand dyed, woollen yarns. The result is a repetition of tiny tessellations, a minaret, a lantern, and a dome...all inspired by the very landscape that surrounds them.

This festive wall decor speaks not only of their faith but of familial skills that have been proudly passed down from one generation to the next and this is what the Skilling Circles of Afghanistan is all about!

Your thoughtful purchase will not just adorn your wall with traditional art from the past, but 100% of the money earned will go directly to 400 female artisans of the Skilling Circles of Afghanistan so they can celebrate Eid-UI-Fitr with their families too!
